MICROPHONES				
Please note that PROEL microphones are not normally stocked in the UK. However, they can be specially ordered for customers with minimum order quantities as shown below. Some wireless systems such as the RMW series, RM200 & RM100 are not suitable for UK use however they can be sold for the purpose of export to other countries where the radio mic spectrum is different to the UK. For a full range of UK approved and UK stocked microphone & wireless microphone solutions, please speak to your area sales manager about our JTS series that we exclusively distribute in the UK.
